Tata Consultancy Services Ltd — Detailed Analysis

Strengths

- Consistently high return on equity above 20% demonstrates exceptional capital efficiency
- Strong free cash flow generation over 5 years signals healthy business fundamentals
- Debt-free balance sheet provides financial flexibility and eliminates interest burden
- Very high interest coverage ratio reflects negligible financial stress from debt servicing
- Return on equity improving for 3 consecutive years shows strengthening business quality
- Revenue growing slower than profits shows improving operating leverage and scale benefits

Risks

- Rising debt-to-equity ratio over 3 years suggests increasing financial leverage risk
- Return on capital employed below 10% suggests the business is not generating sufficient returns on invested capital
